

## FAQs

**1. Who can participate?**

Anyone who is an undergraduate or postgraduate student of Architecture and Design can participate, (including graduates of 2020). Civil engineering students in a team with architecture/design students can also participate.

**2. How many members can be in a team?**

A maximum of two members per team is allowed.

**3. Where do we register?**

Click on the register online button at [www.ethosempowers.com/#/ideace/Designadvantage](http://www.ethosempowers.com/#/ideace/Designadvantage)

**4. Is there a fee for registration?**

No, registration for the competition is free for all students.

**5. Can the team members be of different colleges?**

Please register as separate teams and send us a mail to [ethosindia.helpdesk@gmail.com](mailto:ethosindia.helpdesk@gmail.com), stating that you would like to work as a team.

**6. Can Civil Engineering students participate?**

Yes, the competition is open to civil engineering students, provided the other member of the team of two is an architecture/design student.

**7. Can the team members be changed later (addition or subtraction)?**

Reach out to us with the details at [ethosindia.helpdesk@gmail.com](mailto:ethosindia.helpdesk@gmail.com).

**8. What is the last date for registration?**

28.05.2021

**9. What is the last date for submission?**

11.06.2021

**10. When will the results be announced?**

16.07.2021

**11. Is it necessary to have an Autocad Revit student license to participate?**

It is recommended though not mandatory that you use the software. The student license is necessary in case you wish to explore your BIM skills in the design development process.
